STATEMENT FROM MAYOR EMANUEL

Mayor Rahm Emanuel today released the following statement regarding the Redfin list of “25 Neighborhoods that ‘Have It All’: Affordable Homes, Highly Rated Schools, An Easy Commute AND Plenty of Inventory.”

“More companies have relocated to and invested in Chicago than any other American city every year for the last four years. They recognize what we already know. Chicago is home to not just the most talented workforce, but the greatest neighborhoods in the world, so it is no surprise that our city comes out on top with seven of the top ten in national rankings of neighborhoods that ‘have it all.’ From the best schools and most beautiful parks, to the most reliable transit and affordable cost-of-living, Chicago communities continue earning national recognition as the best place in America to live, work and raise a family.”
